

Institute of Animal Sciences, Polish Society of Animal Production, and Animal Sciences Students Scientific Association invite students to attend:

*1<sup>st</sup> International Scientific Conference*

*“Students in Animal Science and Aquaculture – challenges and research”*

that will be held on the **11<sup>th</sup> of May 2022** with the aim to establish a platform for the exchange of knowledge and experience gained by the students of majors related to animal science and aquaculture.

**For the sake of your safety, due to the real threat of infection with the COVID-19 virus, the Organizing Committee of the Conference decided to organize the event on-line via the MS Teams platform.**

The conference is thematic in nature and, for organizational reasons, all Participants will be asked during registration to choose one of the sessions they would like to qualify their work to:

- 1) Quality of animal-derived food products;
- 2) Welfare and health status of animals;
- 3) Animal feeding;
- 4) Economics and management of animal production;
- 5) Physiological and biological determinants of animal production

As part of the Conference, the works are planned to be presented in the electronic form.

Participants who will attend the Conference will be required to submit abstracts in English beforehand. The abstracts will be published by the 15<sup>th</sup> of May 2022 in the form of the electronic Book of Abstracts. The conference will be held from 09:00 to 16:30.

**Obligatory terms:**

1. Registration by the 1<sup>st</sup> of April 2022
2. Abstract submission by the 15<sup>th</sup> of April 2022

Submission of the registration form is tantamount to expressing the will to participate in the Conference and accepting the Conference Regulations. Only active participation in the Conference is possible.
